POLYTECHNIC FOUNDATION PROGRAMME (PFP)

Essential Things You Need to Know

1. What is the PFP?

- A foundation year at the polytechnics that:
 - Prepares well-performing Sec 4N(A) students for progression into respective polytechnic diploma courses
 - Serves as an alternative to Sec 5
- Conducted over two academic semesters at the polytechnics
- Students must pass all PFP modules in order to progress to their respective, pre-selected diploma courses.

2. Am I Eligible for PFP 2023?

You are eligible for the PFP if you:

- ☐ Sat for GCE N-Level exams as a school candidate in 2022
- ☐ Have obtained an ELMAB3 aggregate of 12 points or less (before deduction of CCA bonus points)
- ☐ Met course-specific entry requirements as listed on the PFP website

✓ **If you can check all 3 boxes above, you're eligible!**
(Note: Eligibility does not guarantee you a place in a PFP course)

If you had offered GCE O-Level examination subjects in 2022, you may refer to this table for the equivalent grade to compute your ELMAB3 aggregate:

| GCE 'O' Level Grade | Converted Grade |
|---------------------|-----------------|
| A1-B3 | 1 |
| B4-C6 | 2 |
| D7 | 3 |

3. How do I Apply?

- Upon release of the GCE O-Level results, all PFP-eligible students will receive Form P containing a PFP PIN that allows them to apply for the PFP at this [link](#).
- You may select up to five course choices.
- Remember to provide updated contact details in your application to allow the polytechnics to contact you if necessary.
(Note: You should continue to attend Sec 5 from 3 January 2023 while applying for PFP.)

4. How Will I be Informed of the Outcome?

- You should log in to the PFP portal to check your application outcomes on the day of PFP posting results release.
- You will then have to indicate if you wish to accept/reject/appeal the offer.
- If you do not select any option, your offer will become invalid and you will be required to continue with your classes in Sec 5.
(Note: If your appeal is successful, your original offer will be void regardless of whether you accept the new PFP offer.)

5. What Happens Next?

- If you accept your offer, you will receive an enrolment package from the polytechnics in February/March 2023.
- The PFP year will start in April 2023.
