Dear Parents/Guardian

Home-based Learning for Secondary 1-3 Students on Thu, 11 Jul 2024

The school will be carrying out Home-based Learning for Secondary 1-3 students on Thu, 11 Jul due to the need for urgent repairs in some of our classrooms.

Fans in two classrooms had disengaged from the ceiling this afternoon during break. No students were injured in the incident.

Procedure for HBL

We will follow the usual HBL morning procedure where students log into SLS to report their presence to their respective Form Teachers. Students who do not have computer or wifi access at home can report to Comp Lab 1 at 7:30am.

Secondary 4/5 students will continue with physical lessons in school as per normal, in specially assigned rooms.

CCA

CCA sessions will continue in the afternoon although no classrooms will be used.

Emergency Exercise for Secondary One Students

The Emergency Exercise involving Secondary One students originally planned for Thu, 11 Jul will be postponed to a later date.

We apologise for this late notice. The safety of our students is paramount and we will be doing a full and thorough check of the classrooms during this period.

Thank you for your understanding.

Warm regards
