Student Matters

School Rules

YSS Policy on Electronic Devices (including mobile phones and smartwatches)

Students are not allowed to use any electronic devices except their personal learning devices (PLDs) during lessons and non-lesson time. Mobile phones must be switched off during school hours including recess, breaks, CCA and afterschool programmes (e.g. consultation, enrichment programmes and learning journeys). Students are to switch off and place their mobile phones in the handphone storage pouch at the front of the classroom before the start of lessons, and will only collect them back after the end of lessons.

Students are discouraged from bringing any electronic devices (including smartwatches) other than their PLDs to school. They are responsible for the safekeeping of their devices. The school will not be responsible for any loss or damages.

Parents/guardians are to call the General Office at 68767129 if they wish to contact their child/ward.

Leaving School Premises

Students are not allowed to leave the school premises before the commencement of any after-school programmes such as CCA, consultations and Learning Journeys.

Attire and Hairstyle

Students should always look neat and presentable. There should be no outlandish hairstyles. Students are expected to report to school on Mondays in School Uniform for FRC. However, they are allowed to report to school in half-uniform on Tuesdays to Fridays for FRC.

Students whose attire and hairstyle do not comply with the school rules may be sent home to change. Kindly ensure that your child's/ward's attire and hairstyle are in accordance with the school rules and regulations.

Partnership with parents

Communication with Parents

In addition to information letters and Parents Gateway, the school uses its official website to disseminate timely information to parents and students. Please visit <http://www.yishunsec.moe.edu.sg> to keep in touch with the latest developments in school.

We value your feedback. If you wish to contact your child/ward's Form Teacher, Subject Teacher or CCA Teacher, you can email the school at yishun_ss@moe.edu.sg addressing your email to the teacher. If you are calling the General Office (Tel: 6876 7129) to speak to any teacher, please do so during school hours from 7:00 am to 5:00 pm and leave a message for the teacher.

Do understand that teachers may only be able to respond on the next working day. If you have urgent queries and/or requests, the General Office will assist in the best possible way.

We also seek your understanding that we do not expect teachers to respond to parents' and students' queries during the weekends, public holidays and, after school hours on weekdays.

Once again, we look forward to working with you to provide meaningful learning experiences for our students.

Wishing everyone a Happy New Year 2026!

Thank you and warmest regards

Mrs Regina Lee
Principal
