SG60 Heart&Soul Experience at Orchard Library

Reporting Venue: **Orchard Library**

Address: 277 Orchard Rd, #03-12 / #04-11 orchardgateway, Singapore 238858

We are delighted to inform you that we have organised a special blended learning day for students to participate in the SG60 Heart&Soul Experience at the Library at Orchard on 23 Oct. This unique showcase, jointly organised by the Ministry of Digital Development and Information (MDDI) and the National Library Board (NLB), celebrates Singapore's SG60 milestone by bringing our nation's vision for tomorrow to life through an immersive, multi-sensory journey across our past, present and future. What makes this experience particularly special is its use of generative AI to create personalised adventures for each visitor, featuring interactive moments and unexpected surprises that spark imagination and emotion.

Students will report directly to the venue according to the timings stated in the table below. We warmly encourage parents to join their children for this meaningful experience by booking your own complimentary tickets online, as this showcase promises to not only captivate minds but also touch hearts and souls as we reflect together on Singapore's remarkable journey and our place in shaping its future.

WE SEEK, WE STRIVE, WE SOAR

義順中學
