### CCA Matters

**WE SEEK, WE STRIVE, WE SOAR**

CCA sessions will resume from Term 1 Week 1. The CCA schedule can be found on the school website. Students from the graduating cohort will stand down from their CCA at the end of Term 1 unless they are representing school in competitions or performances.

### **National School Games 2026**

The National School Games will commence in Term 1 and continue into Term 2. Further information will be provided by the respective CCA teachers.

### **Student Matters**

#### **Values-in-Action (VIA) 2026**

Values-in-Action (VIA) is an integral part of the school's Character and Citizenship Education, aimed at nurturing empathy, social responsibility, and a commitment to serving the community. Through VIA, students learn to apply values in authentic contexts and develop a deeper awareness of the needs of others.

Each student is advised to complete a minimum of 6 VIA hours per year. For the graduating cohort, VIA activities will be conducted in Term 1 to ensure timely completion. For non-graduating levels, VIA programmes will be carried out between Terms 1 and 3.

We appreciate your support in encouraging your child/ward to take part in the planned VIA activities. Such encouragement helps your child/ward to engage meaningfully in the programme and gain the most from their service-learning experiences.

More details on specific VIA activities and arrangements will be shared with students in due course.

I look forward to our continued partnership in providing each Yishunite with a meaningful and fruitful school experience.

Regards
