ITE Curricular Structure

- By AY2026, ITE will transit all its Nitec courses to the enhanced **three-year** curricular structure leading directly to a Higher Nitec certification[^]

In **Year 1**, students will undertake **broad-based foundation courses** exposing them to fundamental skills needed for the relevant industry sector

In **Years 2 and 3**, they will take **more specialised modules**, leading to a Higher Nitec certification

Students are also exposed to **two industry attachments** (IA): a three-month IA in Year 2 and a six-month IA in Year 3, with the latter building on the learning outcomes and workplace competencies of the former

[^] Potential introduction of a 3-year Higher Nitec in Early Childhood Education (from the current 2-year Higher Nitec) under review

ITE Progression Pathways

YISHUN SECONDARY SCHOOL

We Seek We Strive We Soar

Progression from ITE to Polytechnics

- From the AY2027 Poly intake, all Higher Nitec graduates with a minimum raw GPA of 2.5 will be eligible to apply for admission to Polytechnics. This was revised from minimum raw GPA of 2.0, to ensure that ITE graduates can better cope with the academic rigour of a polytechnic education
- From the AY2027 Poly intake, polytechnic admission will be guaranteed to all Higher Nitec graduates with a minimum raw GPA of 3.5, for admission to poly courses that are mapped to ITE courses.

My time at ITE was instrumental - it gave me the chance to challenge perspectives, grow alongside my peers, and discover my potential. Leading and being a voice for students who often go unheard means a great deal to me. I hope my journey inspires others to take charge of their story and be the light at the end of someone's tunnel.

Admissions to ITE Year 1 (at least 4 G1 subjects)

- From AY2028 ITE intake, admissions requirements for entry to **Year 1** of **3-year** Higher Nitec courses will be set at G1 ITE aggregate score will be computed based on four G1 subjects
- G3 and G2 grades will be mapped to G1 based on the grade mapping table
- Students may be offered the accelerated pathway if they meet academic requirements during their Year 1 Semester 1 examinations. **This pathway will allow them to attain a Higher Nitec in a shorter duration of about two years.**

- Students meeting the required GPA (3.7 and above) in Year 1, Sem 1 are invited to an accelerated path.
- Students take a 3-month bridging course to progress to Year 2, Sem 2 (in total 2 years and 3 months)

ITE 3-Year *Higher Nitec*

Aggregate Type: R2B2, R1B3, B4

- ✓ No maximum aggregate score requirement but must meet the subject specific Minimum Entry Requirement (MER) of the aggregate types (except [B4], which has no MER). All courses within the same aggregate type share the same MER.
- ✓ If you meet the MER for the aggregate type, you will be eligible to apply for courses under that aggregate type.

NOTE : G3, G2 and G1 grades will be converted to ITE aggregate points to compute the aggregate scores ([see related slide](#)).

*Grade requirement based on subject level: G3 -> A1-E8, G2 -> 1-5 and G1 -> A-D

Example 1 : ITE 3-Year Higher Nitec

Supporting Your Child's ECG Journey Considerations & Resources

When deciding how many and what subjects your child wants to take, do consider the following:

- In which subjects do you find yourself **grasping concepts quickly** without needing extensive additional support?
- Which subject areas do you find yourself **demonstrating the most resilience** in when working on **challenging academic tasks**?

- How do you typically **manage your current study workload and time**?
- How much **time do you need** for rest, family, other commitments and social activities to **maintain good mental health**?

Strengths

Interests

Curriculum Load

1. How many subjects should I take?
2. What subjects should I take?

Well-being

Aspirations

- Which **subjects** are you **interested** in?
- Outside of academics, what **personal interests** do/ would you like to pursue?

- Which **post-secondary pathway** are you aspiring to?
- Which **course** in a particular pathway do you hope to pursue?
