

YISHUN SECONDARY SCHOOL 40TH
SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE

Founded in 1986 and officially opened in 1988, Yishun Secondary School has proudly served the community for four decades. What began as a young school with a bold vision has grown into a vibrant and caring learning community, nurturing generations of students grounded in strong values and equipped for the future. Guided by our vision, “Quality Mind · Caring Heart,” and inspired by our motto, “We Seek, We Strive, We Soar,” we remain steadfast in our commitment to holistic education and purposeful character development.

Anchored in our core values of *Respect, Integrity, and Resilience*, we nurture every Yishunite to become a Thinker, an Innovator and a Contributor. Through academic excellence, Character & Citizenship Education, Co-Curricular Activities, and Values-in-Action initiatives, our students grow into confident individuals ready to serve, lead and make a difference. Our Applied Learning Programme in Sonic Arts cultivates creativity, design thinking, and media literacy through sound and digital production, while our Learning for Life Programme strengthens service leadership and community engagement, empowering students to contribute meaningfully beyond the classroom.

Our commitment to excellence is reflected not only in our programmes but also in our learning environment. Since the PRIME upgrading in 2002 and through subsequent enhancements in recent years, the school has continually improved its facilities to support holistic development. These include the learning spaces of *The Stairways*, *1986 Vantage* and *TableTalk*. Strong partnerships among staff, parents, alumni and community stakeholders have fostered a caring and inclusive culture where every student is supported to grow and succeed. We emphasise resilience, growth mindset and mutual respect, ensuring that every Yishunite feels valued and empowered.

As we commemorate 40 years, we celebrate the achievements of our alumni who, across diverse fields and endeavours, have distinguished themselves and contributed meaningfully to their professions and communities, bringing pride to their alma mater. The YSS40 Legacy Award, presented in conjunction with our 40th Anniversary celebrations, honours outstanding Yishunites who embody our motto and live out our values through dedicated service. Their accomplishments inspire future generations and form a lasting legacy for the school.

Beyond our award recipients, we recognise the many other Yishunites who continue to shine in their own ways — honouring, empowering and uplifting others in the community. Together, they represent the enduring

**YISHUN SECONDARY SCHOOL 40TH
SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE**

legacy and shared values that have shaped Yishun Secondary School over the past four decades.

As we mark this significant milestone, we look ahead with confidence and purpose. We reaffirm our commitment to shaping future-ready learners who will contribute positively to Singapore and beyond. With gratitude for our past and hope for the future, we celebrate 40 years of shared journey and collective achievement.

STUDENT LEADERS' INVESTITURE

Since last year, Speech & Prize Presentation has been commemorated with the investiture of our Student Leaders. The Student Leaders' Investiture is a significant ceremony that marks the official appointment of students entrusted with leadership roles in Yishun Secondary School. It serves as a platform to instill a sense of responsibility, integrity and commitment in the newly appointed leaders from the Prefectorial Board, Peer Support Leaders, Co-Curricular Activities and Class Committees, reminding them of their duty to serve their peers and uphold the values of the school. The investiture symbolises the transition of leadership and the beginning of a new chapter of service and dedication to the school community. We congratulate all newly appointed student leaders and look forward to their contributions to the school.

SCHOOL REPORT 2025

2025 was a fruitful year for the school as we deepened meaningful partnerships and expanded enriching learning experiences both locally and globally. Through purposeful programmes that define the ***Yishunite Experience!***, we have empowered our students to become a self-directed and collaborative learner, imbue with sound values and character.

Our commitment to delivering an *Exciting, Engaging and Enriching* (3E) curriculum remains steadfast. In alignment with the EdTech Masterplan 2030, we continue to build staff capacity in AI-enabled pedagogy and strengthen resources to leverage educational technology for personalised feedback. By deepening interdisciplinary learning, we move beyond content mastery to nurture the critical thinking, ethical collaboration and complex problem-solving skills essential for a volatile future.

**YISHUN SECONDARY SCHOOL 40TH
SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE**

Building on the resounding success of the **YSS Student Learning Festival (SLF)**, we are committed to taking learning beyond the classroom through authentic, experiential opportunities which allow students to apply theory in real-world contexts, anchoring the development of 21st Century Competencies (21CC). Furthermore, **YSS Goes Global** remains a cornerstone of our holistic curriculum. These international experiences broaden students' global perspectives and nurture cross-cultural intelligence, ensuring they remain deeply rooted in Singapore while confidently embracing the belief that the world is our school.

Academic Achievements

Academically our students performed well at the 2025 GCE O-level Examination. 52% of our students qualified for the two-year Junior College course and 94% of our students qualified for advancement to one of the five polytechnics.

At the 2025 GCE N-Level Examination, 63% of our students from the Secondary Four Normal (Academic) qualified for the Direct Entry-Scheme to Polytechnic Programme (DPP) while 21% qualified for the Polytechnic Foundation Programme (PFP). From the Normal (Technical), 100% of our students qualified for entry into the Institute of Technical Education (ITE).

Academic Competitions

Our students have performed well in academic-related external competitions.

English Language

The Queen's Commonwealth Essay Competition is the world's oldest international schools' writing competition. Each year, young people write on a theme that stems from the Commonwealth's values and principles, developing key literacy skills whilst also fostering an empathetic and open-minded world view. In 2025, the focus was on 'Our Commonwealth Journey', where students were encouraged to explore the relevance of journeys in the commonwealth context, whether geographical, historical, or personal. They were also encouraged to explore journeys the

**YISHUN SECONDARY SCHOOL 40TH
SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE**

Commonwealth has taken or may take in the future, as well as reflect on their own individual journeys.

Fifty-six students participated in the competition in 2025 and twenty-two of our students received the following accolades: 11 Bronze awards, 7 Silver awards and 4 Gold awards.

Seventy-five students received a certificate of participation and Myat Thinzar Nyein Ko from 1 Respect received the Merit Award in the Live On Festival essay writing competition organised by the National Organ Transplant Unit (NOTU), Ministry of Health. NOTU oversees both living donor and deceased donor organ transplants and plays a leading role in organising public campaigns and events to raise awareness on organ donation.

Humanities

Four students participated in the annual NUS Geography Challenge jointly organised by the NUS Department of Geography and NUS Geographical Society, with support from the Ministry of Education. Our students demonstrated remarkable resilience throughout the competition. Despite the intense competition, they persevered and showcased their dedication to learning and problem-solving. Their ability to adapt and persist under pressure was evident and each participant was awarded the Certificate of Participation.

The iTourism Challenge is an annual competition organised by Republic Polytechnic that challenges secondary school students to reimagine and innovate Singapore's tourism and hospitality landscape. In 2025, the competition invited participants to envision the future of Singapore's tourism industry while fostering positive changes across various aspects of tourism. Four Secondary 4 students emerged as Champions in this competition, demonstrating creativity, critical thinking and a strong understanding of real-world tourism issues.

The Historical Scene Investigation (HSI) Challenge 2025, an annual competition organised by the National Library Board and supported by the MOE's History Unit, challenges lower secondary students to put their historical research skills to the test. This year's competition featured 133 participating schools, with students tasked to explore the concept of change and continuity in our local neighborhoods. Four Secondary 2 students participated in the challenge and clinched first place, emerging as overall champions.

Mathematics

Our Yishunites took part in the Singapore and Asian School Mathematics Olympiad (SASMO) 2025 with Khor Kai Qian from Secondary 1 Integrity receiving a Silver Award. 3 Bronze Awards and 6 Honorable Mentions were achieved by other YSS students. Our Secondary 1 and 2 students took part in the NIE Mathematics Challenge, an online Mathematics quiz, and Olinda Tan Sze Huei from Secondary 2 Soar clinched the High Distinction award with eleven other students receiving the distinction awards.

Secondary 4 Express students took part in the Math Challenge at Ngee Ann Polytechnic where they had to relate Mathematics and Engineering concepts to real life situations. They won the Silver Award for the Kahoot Challenge.

Selected students from Secondary 1 and Secondary 2 G3 took part in the National Digital Explorer (NDE) and learnt online independently before the competition. Two students, Deepikha D/O Vijay Mohan from Secondary 2 Innovate and Ooi Ke Han Kaelyn from Secondary 2 Respect qualified for the National round.

Science

NUS Illustratum 2025

Nine Secondary 3 students participated in the annual NUS Illustratum competition. This competition provides a platform for school students to turn abstract scientific concepts into lively demonstrations, models and storytelling. The heart of the competition lies in its emphasis on science communication, retelling complex physics in a way that could be easily understood. The three teams walked away with two Distinction Awards and one Merit Award.

STEM challenge #1

Our lower secondary cohort recently showcased their creativity and problem-solving skills in the STEM Playground 2025 Challenge, jointly organised by the Science Centre Singapore, MOE (CPDD) and the James Dyson Foundation. In this exciting competition, students designed a boat powered by a chemical reaction and competed against 121 primary and

**YISHUN SECONDARY SCHOOL 40TH
SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE**

secondary schools across Singapore. Through testing, refining and improving their prototypes, our students demonstrated resilience and teamwork. Their hard work paid off as they proudly achieved 3rd placing in the secondary school category. This remarkable achievement reflects their innovative spirit and passion for applying science beyond the classroom.

Jiemin Primary School Science Outreach

Our Secondary 2 Science Talent Programme students took part in an exciting outreach at Jiemin Primary School, where they engaged Primary 5 students through hands-on science booths. The activities included paper chromatography, where colours were separated into beautiful patterns, copper tape circuits which introduced simple electronics in a fun way, and popsicle stick catapults where students applied physics to launch small projectiles. This interactive session not only sparked curiosity and joy among the primary students but also provided our students with the chance to share their scientific knowledge and hone their communication skills in making science fun.

Singapore Youth STEM Fair (SYSF) and 23rd Elementz Science Project Competition

Eight lower secondary students displayed grit, perseverance, and innovation as they took part in both competitions. Over nearly two months, they worked tirelessly on research, project analysis, poster design, and presentations to judges. The Secondary 2 team investigated the strength and durability of different types of bioplastics, while the Secondary 1 team explored the growth rate of plants using handmade versus chemical fertilisers. Their efforts shone through, with the Secondary 2 team clinching the Accomplished Award at SYSF and a Bronze Award at Elementz, while the Secondary 1 team achieved commendation awards in both competitions.

Design and Technology (D&T)

The innovative golf ball dispenser project by D&T student Tan Jian Yu from Secondary 5N1 was shortlisted for the National D&T Awards 2025. This was recognition at national level when we were named among the shortlisted 22 schools from a pool of 51 participating institutions. Securing a spot in this top 40% is a testament to the rigorous design standards and

**YISHUN SECONDARY SCHOOL 40TH
SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE**

innovative thinking fostered in his D&T project. This recognition validated the school's pedagogical standards at a national level, demonstrating that innovation and excellence can emerge from inclusive classroom practices.

Nutrition and Food Science (NFS)

In 2025, NFS unit collaborated with Republic Polytechnic (RP) for the first time in co-organising the Junior Chef Culinary Competition, an inter-school competition opened to all North Zone cluster schools. The theme for the competition was chilli-infused burger in which many impressive and outstanding entries from the 29 teams registered across 16 secondary schools were received. The top 10 finalist had the opportunity to attend a Masterclass conducted by RP and went on to compete in a cook-off finals at RP's industry-grade training kitchen. Our student-representatives received certificates of participation in this competition.

Visual Arts

In our ongoing effort to provide students with platforms to excel beyond the classroom, we are proud to recognise our representatives in the 2025 Live On Festival Design Competition. Organised by the National Organ Transplant Unit, Ministry of Health, this initiative challenges youths to voice their perspectives on the life-changing impact of organ donation through creative art and writing. By engaging in this sensitive topic, our students demonstrated a mature grasp of empathy, responsibility, and compassion.

Distinctive Programme

Secondary 4 Innovate student Ahmad Tirmidzi's original composition, *Goodbye to This Place*, was selected for presentation at SYF Youth Station Live. He performed the piece at *SCAPE Ground Theatre in 2025, marking a proud milestone for the school's arts journey. This achievement underscores the strength of our Distinctive Programme in nurturing authentic student voice and creative ownership, providing platforms where young composers like Ahmad Tirmidzi can develop their craft and share original work with a wider audience.

Arts Extravaganza 2025: Breakthrough

The Arts Extravaganza is a vibrant and inclusive celebration that provides Yishunites with the opportunity to showcase their involvement in various art forms to the school. The event highlights the talents and creativity of students from the performing arts Co-Curricular Activities, as well as those pursuing music and visual arts.

The Arts Extravaganza event embraced the theme of “Breakthrough”, reflecting the courage of students to push beyond their limits, explore new possibilities, and grow through the arts. Through their performances and artworks, students demonstrated resilience, creativity and the confidence to step beyond familiar boundaries in their artistic journeys.

Going Green in YSS

Yishun Secondary School has demonstrated a strong commitment to promoting environmental sustainability and instilling eco-friendly values among its students. The school's efforts to create awareness on going green are impactful, earning its recognition such as the Singapore Yellow Flame Award under the School Green Awards 2025.

The school also sustained its efforts to champion sustainability initiatives and promote environmentally responsible practices within the community. Our Green Day in the Community was organised in collaboration with Nee Soon South Zone H Resident Network, National Environment Agency (NEA), ALBA, Xishan Primary School, Northland Secondary School, and Ahmad Ibrahim Secondary School. The event seeks to advance biodiversity conservation, environmental sustainability, and green living within the wider community through interactive and educational experiences.

Achievements in Co-Curricular Activities (CCA)

We also celebrate the achievements of our students who have performed well in competitions, bringing honour to the school and their CCAs. We are very happy to announce that our Basketball B Division Girls are the newly minted Champion for the National School Games 2026 North Zone and will be proceeding to the National rounds.

National School Games (NSG) 2025 for Sports CCAs

NSG is an annual youth sports event aims to provide opportunities for students to participate in inter-school competitions and encourage character-building among student-athletes as they pursue sporting excellence. The CCAs did the school proud with the following results:

- Champion in NSG League 3 C Division Football Boys
- 2nd in NSG League 3 B Division Football Boys
- 4th in NSG League 1 B Division Basketball Girls

ASEAN School Games 2025

We are proud that our students, Aikel Bin Zaidi from Secondary 3 Integrity and Elessa Angel Emily from Secondary 3 Innovate, were selected to represent the Singapore Schools Sports Council Team at the 14th ASEAN School Games 2025 in their respective sport of Sepak Takraw and Basketball.

Uniformed Groups

The Uniformed Groups did the school proud with the following awards:

- Puan Noor Aishah Award (Gold) for Girl Guides
- Unit Recognition Award (Distinction) for National Cadet Corps
- Overall Unit Proficiency Award (Distinction) for National Civil Defence Cadet Corps (NCDCC)
- Overall Unit Proficiency Award (Distinction) for National Police Cadet Corps (NPCC)

Outstanding Cadet Award

NCDCC cadet, Yao Wenyu from Secondary 4 Care did her unit proud when she was recognised as Best Unit Cadet.

NPCC cadet, Mohamad Noor Raffaly Bin Mohamad Razaly from Secondary 4 Resilience was conferred the prestigious SPF-NPCC Badge. He, together with Olaf Tan Hong Hock from Secondary 4 Care are also the proud recipients of the Best Unit Cadet for NPCC.

**YISHUN SECONDARY SCHOOL 40TH
SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE**

In addition, Mohamad Noor Raffaly was also promoted to the rank of Station Inspector.

Singapore Youth Festival (SYF) 2025 Arts Presentation

The SYF Arts Presentation provides students with a national platform to showcase their artistic talents, learn from industry experts, and draw inspiration from performances by schools across Singapore. Our Performing Arts CCAs have made the school proud to achieve:

- Certificate of Accomplishment for Choir
- Certificate of Accomplishment for Concert Band
- Certificate of Accomplishment for English Drama Club
- Certificate of Accomplishment for Guzheng Ensemble
- Certificate of Accomplishment for Malay Dance
- Certificate of Distinction for Indian Dance
- Certificate of Distinction for Modern Dance

Staff

At Yishun Secondary School, we have a team of dedicated and caring Teachers, Allied Educators, Executive and Administrative Staff and personnel who play a pivotal role in the school and would go the extra mile to help bring out the best in each of our students.

The staff excite, enthuse and engage the students to make learning meaningful within and beyond the classroom. They show care and concern for the development of each Yishunite; academically as well as emotionally. They monitor the conduct, well-being and academic progress of the students and work in close partnership with the parents. My sincere thanks to all staff of the school for their unwavering commitment and untiring efforts in making the school vibrant and meaningful.

National Day Award: The Commendation Medal, 2025

The National Day Commendation Medal was awarded to:

- Mdm Tan Chew Hsia Jacqueline, HOD/ICT

National Day Award: The Long Service Medal, 2025

The National Day Long Service Medal was awarded to:

- Mdm Zhu Yulin, Teacher
- Mdm Ng Puay Hoon, Senior Teacher (Chemistry)
- Mdm Siti Alwiyah Binte Ismail, STEM Instructor (Laboratory)

Staff Awards

At a separate event in the year, we will be recognising and affirming our staff who have served in MOE and our school for more than 5 years. We will also be recognising recipients of the MOE Service Excellence Award (Silver and Gold).

School Advisory Committee, Parent Support Group and Alumni

Our gratitude to the School Advisory Committee, the Parent Support Group and the Alumni as they continue to provide unwavering support for school programmes and events. Your involvement has been truly an indication of your fervent support for the school and her efforts to provide a holistic education to all Yishunites. The school looks forward to more collaborations and working closely with each one of you in the coming year.

Parents

We are truly grateful to have the constant support and understanding of our students' parents. Indeed, this strong relationship has contributed immensely to the achievements of Yishun Secondary School. As parents, you were there when your child needed a listening ear, you provided them with affirmation, patience and encouragement on the home front. You also placed your trust in us, the school, the teachers, and our programmes, and worked alongside us in providing quality education for each child. Let's continue to work in partnership on your child's education with the school.

**YISHUN SECONDARY SCHOOL 40TH
SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE**

Moving Forward

Moving forward, Yishun Secondary School is committed to drive curriculum innovations to provide immersive, authentic learning experiences through personalised and differentiated teaching pedagogies including harnessing AI and Ed Tech. By advancing Future of Learning initiatives, every student will be equipped with skills, digital literacy and moral core to navigate the complexities of tomorrow with hope and heart.

Once again, we thank all stakeholders of the school, teaching and non-teaching staff, parents and students for working closely with the school and providing us with their continued support in 2025. In closing, we extend our congratulations to the newly appointed student leaders; all award recipients whose dedication and resilience have led to their well-deserved achievements.

Mrs Regina Lee

STUDENT LEADERS' INVESTITURE 2026

The Student Leaders' Investiture marks the formal appointment of students who take on leadership roles in Yishun Secondary School. Through this ceremony, leaders such as Class Committee members, Prefects, Peer Support Leaders and CCA Chairpersons are entrusted with the responsibility of guiding their peers and upholding the school's values. It signifies their commitment to serve with integrity and marks the start of their leadership journey in contributing to the school community.

The outstanding leadership awards are bestowed on students who have significantly contributed to the CCA, Prefectorial Board or Peer Support. The students have displayed outstanding leadership qualities that are aligned to our school values, showed commitment to carry out their duties well, and demonstrated initiative to serve/lead others.

Class Committee Members

Class Committee Members play a vital role in maintaining a well-organised and supportive classroom environment. They assist the Form Teachers in managing class activities, encouraging teamwork and addressing student concerns. By fostering a positive learning atmosphere, Class Committee Members help build a sense of unity and responsibility among their peers.

CCA (Co-Curricular Activity) Leaders

CCA Chairpersons lead, manage and play a crucial role in coordinating with teachers and members and ensuring that the CCA operates smoothly and effectively. As role models, they inspire enthusiasm and participation among members while fostering teamwork and discipline.

Prefectorial Board

Prefects serve as role models for their peers, demonstrating leadership, responsibility, and integrity. They act as a bridge between students and teachers, organise and support school events and inculcate school values through their actions.

**YISHUN SECONDARY SCHOOL 40TH
SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE**

Peer Support Leaders

Peer Support Leaders foster a positive culture of care in YSS and help create a greater sense of belonging amongst Yishunites. They play an essential role in creating a supportive school culture where students feel valued, heard and empowered to overcome difficulties.

YSS40 LEGACY AWARD

The YSS40 Legacy Award is a prestigious and special recognition, presented in conjunction with the 40th Anniversary celebrations to honour outstanding Yishunites who have excelled in their personal journeys while continuing to serve their alma mater and the wider community with dedication and selflessness. This distinguished award recognises individuals who embody the school motto “We Seek, We Strive, We Soar” and who have demonstrated the school values through meaningful actions and service. Their achievements and contributions have left a legacy for their juniors, inspiring them to grow into confident and responsible individuals.

Mohamad Sufian Bin Sulaiman	1998
Koh Kok Ping Matthew	2002
Leong Mun Kit	2016
Zyon Aaronel Wee Zhun Wei	2017
Choh Kaifeng	2018
Mason Ong Chen Wen	2020

YISHUNITE OF THE YEAR 2025

The prestigious Yishunite of the Year 2025 Award is given to students who have excelled in his/her academics, co-curricular activities (CCA) as well as contributed actively to the school and community.

Low Li Hua	4IN	National Police Cadet Corps
Taneekan Neo Hui Jun	4RP	Badminton
Zavian Kong (Kuang Kaile)	4ST	Basketball
