Yishunite of the Year 2024

## SCHOOL REPORT 2024

Yishun Secondary School proudly celebrates its 39<sup>th</sup> Speech and Prize Presentation Day.

As a school and community, we celebrate our achievements for 2024. We are proud that we have continued to provide for our students the best education possible. I would like to thank all stakeholders of the school; the School Advisory Committee, the YSS Alumni, the Parent Support Group, teaching and non-teaching staff, parents, and students for working closely with the school and providing us with their continued support in 2024.

The school values of **Respect, Integrity and Resilience** are constantly reinforced in all that we do. These values form the guiding principles to achieve the Desired Outcomes of an Yishunite, **A Thinker, An Innovator, and A Contributor**. The values and the outcomes guide us as we plan a student-centric and values-based education for our students.

### **The Yishunite Experience!**

At Yishun Secondary, we are proud of our unique **Yishunite Experience!** The *Yishunite Experience!* provides every student with opportunities to **Seek, Strive and Soar**. At Yishun Secondary, we believe that the true greatness in a child is founded upon the bedrock of sound values and character. We have put in place a myriad of activities and programmes that cater to our students' academic development, character development and well-being both in and out of the classroom. In Yishun Secondary, every child is important and is given every opportunity to learn, grow and flourish.

The school has embarked on Full Subject-Based Banding (FSBB) since 2020. In 2025, all Secondary 1 to 4 students are on FSBB. Students are grouped in mixed form classes and have customised timetables that allow them to study subjects at varying levels of demand.

### **Strengthening 21<sup>st</sup> Century Competencies**

#### **Student Learning Festival (SLF)**

The Student Learning Festival celebrates student learning beyond the confines of the classroom. In 2023, the SLF started with a 3-day programme which allowed students to learn and explore concepts taught

in the classroom in real-world contexts. For 2024, it expanded to a full week's worth of industrial visits, learning journeys to museums, heritage centres, reservoirs and even the Supreme Court.

The SLF, in tandem with teaching and learning in the classroom, strengthens students' acquisition of 21<sup>st</sup> Century Competencies (21CC) as they make connections and transfer their learning from what they learn in the classroom to what is evident in the real-world.

### ***Academic Achievements***

Academically our students have performed well at the 2024 GCE O-level Examination. 51% of our students qualified for the two-year Junior College/three-year Millenia Institute course and 91% of our students qualified for advancement to one of the five polytechnics.

At the 2024 GCE N-Level Examination, 68% of our students from the Secondary Four Normal (Academic) qualified for the Direct Entry-Scheme to Polytechnic Programme (DPP) while 21% qualified for the Polytechnic Foundation Programme (PFP). From the Normal Technical, 100% of our students qualified for entry into the Institute of Technical Education (ITE).

### ***Academic Competitions***

Our students have performed well in academic-related external competitions<sup>1</sup>.

### **English Language**

The Queen's Commonwealth Essay Competition is the world's oldest international schools' writing competition. Each year, young people write on a theme that stems from the Commonwealth's values and principles, developing key literacy skills whilst also fostering an empathetic and open-minded world view. In 2024, the focus was on 'A Youth-Powered Commonwealth', where students were encouraged to explore the power young people hold within the global community and consider how this power can be harnessed to make a meaningful impact in the world.

---

<sup>1</sup> You will find the names of the awards and the recipients in the Speech and Prize Presentation programme booklet.

## YISHUN SECONDARY SCHOOL

### 39<sup>th</sup> SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE

Sixty students from YSS participated in the competition for the first time last year and twenty four of our students received the following accolades: 12 Bronze awards, 11 Silver awards and 1 Gold award.

Forty-six students received a certificate of participation for their involvement in the Live On Festival essay writing competition organised by the National Organ Transplant Unit (NOTU), Ministry of Health. NOTU oversees both living donor and deceased donor organ transplants and plays a leading role in organising public campaigns and events to raise awareness on organ donation.

#### **Humanities**

Four students from YSS participated in the annual NUS Geography Challenge jointly organised by the NUS Department of Geography and NUS Geographical Society, with support from the Ministry of Education (MOE). Our students demonstrated remarkable resilience throughout the competition. Despite the intense competition, they persevered and showcased their dedication to learning and problem-solving. Their ability to adapt and persist under pressure was evident and each participant was awarded the Certificate of Participation.

The Historical Scene Investigation (HSI) Challenge 2024, an annual competition organised by the National Library Board and supported by the MOE's History Unit, challenges lower-secondary students to put their historical research skills to the test. This year's competition featured 117 participating schools, with students tasked to explore post-independence policies in Singapore from 1965 to 1979, focusing on how these policies shaped the lives of Singaporeans at the time and their continued impact today. Four of our Secondary 2 students participated in the challenge and secured a Silver Award.

#### **Mathematics**

Our Yishunites took part in the Singapore and Asian School Mathematics Olympiad (SASMO) 2024 and were awarded 1 Gold, 4 Silver, and 9 Bronze awards, and 8 Honourable Mentions. Our Secondary 1 and 2 students took part in the NIE Mathematics Challenge, an online Mathematics quiz, and clinched 2 High Distinctions and 18 Distinction awards.

A Secondary 3 Express team participated in the Singapore International Mathematical and Computational Challenge (SIMC) where they used

## YISHUN SECONDARY SCHOOL

### 39<sup>th</sup> SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE

AI tools on machine learning to develop forecast models based on past results of students' examinations and presented the findings on poster during the Educators' Learning Festival.

Secondary 4 Express students took part in the Math Challenge at Ngee Ann Polytechnic where they had to relate Mathematics and Engineering concepts to real life situations. They won Gold Award and Silver Award for the Omega Escape and were Overall 1<sup>st</sup> runner-up.

### **Science**

Secondary 1 students took part in the STEM Playground Challenge jointly held by Science Centre Singapore, The James Dyson Foundation and MOE (CPDD). The challenge required our students to create a cotton reel using simple materials like rubber bands and toothpicks. A grand total of 15,716 students from 111 primary and secondary schools participated and we emerged in the top 10 for the Secondary School Category.

The Singapore Junior Biology Olympiad is an annual Biology competition that pushes students to excel in the discipline by incorporating practical skills and thinking approaches in the study of Biology, and promoting critical thinking through application questions. In the 9<sup>th</sup> SJBO, two of our Secondary 4 students received the Honourable Mention Award for their stellar performance.

The Genetic Modification Advisory Committee (GMAC) is a multi-agency national committee committed to its task in objectively imparting scientifically-sound information on Gene Modification (GM) technology and Genetically Modified Organisms (GMOs) to the public. As part of its ongoing public education efforts, GMAC organised the infographic Design Competition based on the theme of "What is CRISPR-Cas9 Technology and its Applications?" which two teams of Pure Biology students participated in. The competition promoted active learning in our students and stimulated students' interest in science-based GM-related topics. The teams showed commendable efforts in their research to ensure objectivity, relevance and accuracy of scientific information when designing their posters. A total of eight students received the Certificate of Participation.

The 16th Singapore National Crystal Growing Challenge held at the National University of Singapore is a biennial event for secondary school, junior college and polytechnic students. Four of our Secondary 3 students and their teachers spent months growing crystals in the school's

## YISHUN SECONDARY SCHOOL

### 39<sup>th</sup> SPEECH & PRIZE PRESENTATION AND STUDENT LEADERS' INVESTITURE

Chemistry laboratory. This year, the students presented Ammonium Copper(II) Sulphate Hexahydrate crystals for the Junior Category and received the Certificate of Participation.

#### **Design and Technology (D&T)**

A team of three Secondary 3 D&T students won 2<sup>nd</sup> place at the IDE Series Singapore Competition (IDE Challenge) 2024: Fastest, Higher, Furthest Competition. This competition is made up of three challenges where students have two hours of problem-solving and construction time to tackle three separate construction challenges in total. In the 'Fastest' challenge, teams worked together to solve a surprise electronic challenge. In the 'Higher' challenge, teams built the tallest possible tower to support a weight provided. In the 'Furthest' challenge, teams built a bridge that is able to span the furthest between two tables.

It is the first year that our Secondary 3 D&T students took part in the STEM Playground 2024 Challenge Two – "Support the mass!" organised by Singapore Science Centre and James Dyson Foundation, and supported by MOE. Our student-representatives received certificates of participation in this competition which required them to construct their own cardboard chair that can support a mass of 3 kg by applying skills learnt through tinkering and learning.

The Secondary 3 Express D&T students also collaborated with Commonwealth Secondary School students during the four-session Real World Co-Design Project, a programme in partnership with DesignSingapore Council and industrial experts from Orcadesign, with support from James Dyson Foundation, to come up with innovative and inclusive solutions for target user groups. Three teams were awarded first, second and third prizes in this programme.

#### **Nutrition and Food Science (NFS)**

YSS NFS unit organised the second run of the Junior Chef Culinary Competition, an inter-school competition, in 2024. The theme for the competition was Singaporean-flavoured pizza in which many impressive and outstanding entries from the 74 teams registered across 38 secondary schools were received. This online competition required teams to submit a photograph of the dish they had prepared in their respective schools along with a poster and the recipe. Our student-representatives received certificates of participation in this competition.

### **Visual Arts**

Our student-representatives received certificates of participation in the Live On Festival (LOF) – Design Competition 2024. LOF is an initiative organised by the National Organ Transplant Unit that encourages participants, in particular youths, to express their thoughts on organ donation and transplantation through art and writing. Values of responsibility, compassion and empathy are incorporated in LOF by providing insights into the delicate and emotive nature of the topic of organ donation and transplantation.

These competitions are our conscious efforts to provide our students with a platform to showcase their knowledge and skills. These awards show our students' adaptability in applying their learning beyond the classroom.

### ***Innovative Awards for Students***

The Endeavour Award is presented to students who have demonstrated initiative and excellence in developing their interests - whether in academics, sports, or other pursuits. This award celebrates their dedication and passion, inspiring others to cultivate a love for learning and skill development.

### ***Achievements in CCA***

We also celebrate the achievements of our students who have performed well in competitions bringing honour to the school and their CCA.

### **Uniformed Groups**

The Uniformed Groups did the school proud with the following awards:

- National Cadet Corps - Unit Recognition Award (Distinction)
- 2024 Precision Drills Squad Competition (Central District), Top 10
- National Police Cadet Corps – Overall Unit Proficiency Award (Distinction)
- 2024 NPCC Inter-Unit Drill Competition – Zone Resilience Champion
- National Civil Defence Cadet Corps – Overall Unit Proficiency Award (Distinction)
- Girl Guides – Puan Noor Aishah Award (Gold)

### **Outstanding Cadet Award**

We are proud that Lee Wen Yi 4ST, became the first Guide from YSS to receive the Baden-Powell Award.

Danish Azri Bin Abdul Jalil 4IN from the National Civil Defence Cadet Corps (NCDCC), did his unit proud when he was recognised as Best Unit Cadet

Zara Amanda Binti Mohamad Ridduan 4IT and Teddy Toh Jun Xian 4IN were both conferred the prestigious SPF-NPCC Badge.

### **Sports - Basketball**

Both our boys' and girls' basketball teams played heroically to bring honours back to the school. In the National Schools Games (NSG) C-Div League 1, our girls team came in 4<sup>th</sup>. In the NSG C-Div League 4, our boys' team were crowned champions.

### **Sports - Football**

The YSS Football (Boys) team took part in the NSG C-Div League 4 and achieved 4<sup>th</sup> place.

### **Sports - Volleyball**

The B-Div girls participated in NSG North Zone Girls' Volleyball Competition and achieved 4<sup>th</sup> place.

### **Sports - Cross-Country**

Toh Jing Lun 3SE, came in 10<sup>th</sup> position at the NSG Cross-Country Competition.

### **Sports - Gymnastics**

We are proud that Tan Shang Qi, Alexis 4ST, participated in the NSG Girl's Artistic Gymnastics, B-Div and podiomed in several events. In the Vault, she claimed 1<sup>st</sup> place. For the Floor exercises, she placed 2<sup>nd</sup>. In the Beam, she claimed 3<sup>rd</sup> place. In the All-Around category, she claimed 3<sup>rd</sup> place.

Alexis was also conferred the Singapore Schools Sports Council (SSSC) Colours Award.

### **Clubs and Societies**

Members of the Robotics Club took part in the Aerobot Challenge and were awarded the overall champions.

These achievements would not have been possible without the passion and dedication of all CCA teachers who guided and engaged the students under their care and, parents who supported the school's efforts in providing a meaningful experience in CCA.

### ***Arts Extravaganza: Expressions***

The Arts Extravaganza is a dynamic and inclusive celebration that offers Yishunites the opportunity to present their involvement in various art forms to the school and the broader community. This event showcases the works of students from the performing arts Co-Curricular Activities (CCAs) and the music and arts students.

This year's Arts Extravaganza revolves around the theme of "Expressions", symbolising the students' ability to share their unique talents and creativity with the audience through various forms of artistic expression. The event was a great success, drawing strong support from the school, parents and members of the community.

### ***Going Green in YSS***

YSS has demonstrated a strong commitment to promoting environmental sustainability and instilling eco-friendly values among its students. The school's efforts to create awareness on going green are impactful, earning it recognition such as the Singapore Kopsia Award under the School Green Awards 2024 and the Silver Award in the Green Living Awards 2024 by the North West Community Development Council.

YSS also organised its first Green community event – 'YSS Green Day at Zone H' where it aimed at promoting environmental values among students, staff, and the broader community. It was an initiative designed not only to raise awareness about environmental issues but also to inspire positive change and encourage sustainable practices.

***Yishun Secondary School Advisory Committee, Parent Support Group and Alumni***

My gratitude to the Yishun Secondary School Advisory Committee, the Parent Support Group and the Alumni as they continue to provide unwavering support for school programmes and events. Your involvement has been truly an indication of your fervent support for the school and her efforts to provide a holistic education to all Yishunites. I look forward to more collaborations and working closely with each one of you in the coming year.

***Parents***

At Yishun Secondary, we are truly grateful to have the constant support and understanding of our students' parents and the Parent Support Group. Indeed, this strong relationship has contributed immensely to the achievements of Yishun Secondary. As parents, you were there when your child needed a listening ear, you provided them with affirmation, patience and encouragement on the home front. You also placed your trust in us, the school, the teachers, and our programmes, and worked alongside us in providing quality education for each child. Thank you, parents, and members of the PSG for your strong partnership with Yishun Secondary.

***Staff***

In Yishun Secondary, we have a team of dedicated and caring Teachers, Executive Administrative Staff, Allied Educators, and Support Staff who play a pivotal role in the school. Oftentimes, my staff and colleagues would go the extra mile to help bring out the best in each of our students.

The YSS staff excite, enthuse, and engage the students to make learning meaningful within and beyond the classroom. They show care and concern for the development of each Yishunite; academically as well as emotionally. They monitor the conduct, well-being and academic progress of the students, and work in close partnership with the parents. My sincere thanks to all staff of the school for their unwavering commitment to and untiring efforts in making the school vibrant and meaningful.

***National Day Award: The Commendation Medal, 2024***

The National Day Commendation Medal was awarded to:

- Mrs Audrey Ee – Lim Yin Chieu (HOD/English Language and Media Literacy)

***National Day Award: The Long Service Medal, 2024***

The National Day Long Service Medal was awarded to:

- Ms Evon Tan Ee Hoon (Assistant Year Head)

***Staff Awards***

At a separate event in the year, we will be recognising and affirming our staff who have served in MOE and our school for more than 5 years. We will also be recognising recipients of the MOE Service Excellence Award (Silver and Gold).

***Moving Forward***

Moving forward, Yishun Secondary will continue to drive exciting curriculum innovations through diverse and tailored teaching approaches. We will embrace and customise the new initiatives from MOE to ensure that education in Singapore remains dynamic and relevant. Additionally, we will continue to offer authentic learning experiences for all our students while advancing the Future of Learning.

We extend our congratulations to all prize recipients whose dedication and resilience have led to their well-deserved achievements.

Mrs Regina Lee

Principal

## **NATIONAL DAY AWARDS 2024**

### **The Commendation Medal, 2024**

Audrey Ee – Lim Yin Chieu	HOD/English Language and Media Literacy
---------------------------	---

### **The Long Service Medal, 2024**

Evon Tan Ee Hoon	Assistant Year Head
------------------	---------------------

## **SERVICE TO EDUCATION AWARD 2025**

<b>Name</b>	<b>Years of Service</b>
Ang Poi Moy, Vice-Chairman, Yishun Secondary School Advisory Committee	10-19 years

## **YISHUNITE OF THE YEAR 2024**

The Yishunite of the Year 2024 Award is given to students who have excelled in his/her academics, co-curricular activities (CCA) as well as contributed actively to the school and the community.

Low De Jie Samuel	4E2	National Civil Defence Cadet Corps
Yeng Kai Qi	4E3	English Drama
Nurin Qistina Binti Jamil Abdul Najib	4N2	Modern Dance
Katie Lim En Tong	4T1	Girl Guides

## **THE YSS RESILIENCE AWARD**

The YSS Resilience Award celebrates a Yishunite who embodies the school value of resilience. This prestigious award recognises an individual who has demonstrated exceptional strength and perseverance in the face of challenges. The recipient has navigated significant obstacles, be it academic, personal or social, and emerged stronger, showcasing remarkable grit and a positive attitude. This award not only honours his/her individual triumph but also serves as an inspiration to the entire school community, highlighting the importance of overcoming obstacles and embracing resilience as a key to success.

Katie Lim En Tong

4T1

Thank you for gracing our  
39<sup>th</sup> Speech & Prize Presentation  
and Student Leaders' Investiture

## ACKNOWLEDGEMENTS

Yishun Secondary School Advisory Committee  
for their invaluable support and guidance

Yishun Secondary School Alumni  
for their unwavering support and contributions

Yishun Secondary School Parent Support Group  
for their time and commitment

All staff of Yishun Secondary School  
who have rendered their support  
to make this occasion a success

## **Mission**

To provide a well-balanced education to our students that develops their potential to the fullest intellectually, physically, morally, socially, emotionally and aesthetically, and prepares them to contribute to the nation.

## **Vision**

Quality Mind • Caring Heart

## **School Creed**

As true Yishunites,  
We strive to be committed to our work and play,  
To honour our school, family and nation.  
No matter where we're from.  
We pledge to uphold the values of our school,  
And project its spirit.  
If it is to be, It is up to you and me.

## **School Song**

### *Verse 1*

There's a joyful spirit that we share  
In our home at Yishun Secondary School  
You guide us onward with your love and care  
You light our way with each golden rule

### *Chorus*

All that we can do we'll do for you  
Let' be the best that we can be at work and at play  
And we'll always be proud of you  
Dear, Yishun Secondary School

### *Verse 2*

Your motto builds a strength of will  
Your precious teaching we will always keep  
With determination and in earnest zeal  
The fruits of our labour we will reap

*Music by: J.J de Souza*

*Lyrics by: Mdm. Azizah Bte Abdul Rahim, Mrs. Lim Poh Khim & Miss Sentha*

## **Student Leaders' Investiture 2025**

4 April 2025

# **YISHUN SECONDARY SCHOOL STUDENT LEADERS' INVESTITURE 2025**

## **STUDENT LEADERS' INVESTITURE 2025**

The Student Leaders' Investiture is a significant ceremony that marks the official appointment of students entrusted with leadership roles in Yishun Secondary School. It serves as a platform to instill a sense of responsibility, integrity, and commitment in the newly appointed leaders, such as the Class Committee members, Prefects, Peer Support Leaders and CCA chairpersons, reminding them of their duty to serve their peers and uphold the values of the school. Ultimately, the investiture symbolises the transition of leadership and the beginning of a new chapter of service and dedication to the school community.

### **Class Committee Members**

Class Committee Members play a vital role in maintaining a well-organised and supportive classroom environment. They assist the Form teachers in managing class activities, encouraging teamwork, and addressing student concerns. By fostering a positive learning atmosphere, Class Committee Members help build a sense of unity and responsibility among their peers.

### **Prefectorial Board**

Prefects serve as role models for their peers, demonstrating leadership, responsibility, and integrity. They act as a bridge between students and teachers, organise and support school events and inculcate school values through their actions.

### **Peer Support Leaders**

Peer Support Leaders foster a positive culture of care in YSS and help create a greater sense of belonging amongst Yishunites. They play an essential role in creating a supportive school culture where students feel valued, heard, and empowered to overcome difficulties.

### **CCA (Co-Curricular Activity) Chairpersons**

CCA Chairpersons lead, manage, and play a crucial role in coordinating with teachers and members, and ensuring that the CCA operates smoothly and effectively. As role models, they inspire enthusiasm and participation among members while fostering teamwork and discipline.
