17 January 2020

Dear Parents/Guardian

Sexuality Education Programme 2020

As initiated by the Ministry of Education, our school will be conducting the Sexuality Education Programme 2020 for all students.

The programme will provide your child/ward with an opportunity to develop healthy attitudes towards sexuality and build character; expand his/her understanding and repertoire of skills in dealing with various sexual issues of prime concern at this age. The activities in the programme will allow your child/ward to think through, discuss and assimilate learning points for the issues raised. He/She will also be taught skills necessary for emotional maturation, communication and relationship building, and making choices that supports his/her future goals and plans. Social emotional competencies on self-awareness, social awareness, self-management, relationship management and responsible decision-making would also be emphasised during the lessons.

All students are strongly encouraged to go through the programme as changing values have an impact on the sexual attitudes and behaviour of our youth.

The programme will be conducted during curriculum time by our trained sexuality education teachers. The topics, learning outcomes and the schedule of the programme are attached.

Please complete Annex A by 21 January 2020 should you wish to opt your child/ward out from the programme. Please feel free to call Ms Lathika or Madam Azizah AR at 68767129 should you have any queries. Please visit our school website at <http://www.yishunsec.sg/> for more details.

We look forward to your support in this programme.

Thank you.

Yours sincerely,

Mrs Regina Lee
Principal

WE SEEK, WE STRIVE, WE SOAR
