20 March 2020

Dear Parents/Guardian

Letter from the Principal (Term 2, 2020)

Greetings from Yishun Secondary School.

The school will re-open for Term 2 on Mon, 23 March as planned. Rest assured we are taking measures to ensure the safety and well-being of our staff and students by implementing the following additional precautionary measures.

What to Expect in Term 2

When students report for school in the morning, they are to head straight to their classrooms to their assigned seats. Form Teachers will be present to take their attendance.

The Flag Raising Ceremony will proceed as per normal, followed by the temperature-taking exercise. There will be a wipe-down of tables and chairs in the classroom before lessons begin. During recess and lunch breaks, there will be assigned seating for individual students.

Wipe-down of furniture will also be carried out between lessons when there is a change in seating or venue.

Students are to abide by the class seating plan at all times.

After School Activities

All CCAs will be suspended.

Youth Engagement @ Hangoutz! (YE@H!) programmes for selected students will be suspended until further notice.

Secondary 4 students will follow the lessons and activities indicated in their timetable.

Afternoon activities for Secondary 1-3 students will be suspended until further notice.

Teaching and Learning

Students on LOA and SHN would have received a separate notification from the school and will have Home-based Learning. This will ensure they are able to keep up with their learning. They will be contacted by their Form Teachers with regard to their lessons.

Weighted Assessment 2

Weighted Assessment 2 will continue. Students on LOA and SHN will sit for the paper when they return to school.

WE SEEK, WE STRIVE, WE SOAR
