Safe Management Measures

The school will ensure that safe management measures are in place to keep students safe. Do note the following:

- All students must wear face masks in school at all times. Masks worn to school should be plain with no graffiti designs on them. Students are advised to have an extra mask with them in case they need to change it in the course of the day, especially after PE lessons.
- Temperature-taking and additional visual and verbal screening continues daily for all students. All students must continue to bring their own oral-digital thermometers daily.
- Temperature will be taken twice daily. Once in the morning and the other in the afternoon before the start of after school activities.
- Students who are unwell must see a doctor and stay at home. Students who have family members on HQO, SHN, LOA or MC (for flu-like symptoms) must not report to school and they must inform their form teachers of this.
- To avoid unnecessary movement and crowding at the water points, students are also reminded to bring their own water bottles to school.
- Staggered reporting times will continue in Term 3 Week 5: Sec 1, 2 and 3 students will report to school by 7:25 am, while Sec 4 and 5 students will report at 7:40 am.

WE SEEK, WE STRIVE, WE SOAR

- Wipe down procedures will continue for students in their classrooms, special rooms, and the canteen before and after recess. The necessary wipes and cleaning solution will be made available in these venues.
- Students are reminded to continue washing their hands regularly with soap and water. Students should also follow strictly the safe distancing measures implemented by the school, for example fixed exam-style seating in the classroom, spaced seating in the canteen, and staggered reporting, dismissal and recess times.
- In addition to staggered recess times, the students will have their recess breaks in their respective classrooms on certain days from 29 Jun to 17 Jul 2020. The school will cater food from SATS (Halal certified) for students having their recess breaks in their classrooms. Please refer to details in the following table:

However, you will only be able to pick up your child/ward from the side gate facing Chong Pang car park (Blk 709 Yishun St 71) after school as the school gates will be locked.
