Dear Parents/Guardian

Study Sessions for Graduating Classes

Due to the COVID-19 situation, we are not permitted to carry on with the Night Study sessions as in the previous year. Instead, we will continue to provide our graduating cohort with a conducive environment to carry out their self-study through the Study Sessions@YSS programme.

The study sessions will commence on 29 Jun 2020 (Term 3 Week 5) and end on 24 Sep 2020 (Term 4 Week 2). The timings for the sessions are as follows:

Days	Time
Mondays, Tuesdays and Thursdays	3:00 pm to 5:30 pm
Wednesdays and Fridays	1:30 pm to 5:30 pm

Study sessions will be held at The Space (school library) and the Multi-Purpose Centre.

Parents/guardian will need to give consent for their child/ward to attend these sessions through PG. This one time approval is applicable to all the study sessions students choose to attend. Students will have to register in advance for days on which they want to attend the study session. Registration can be done via a link on the school website.

Students need to sign in at the start of the session and sign-out when the leave. They need not stay till the end of the session at 5.30pm.

Social distancing and other safety measures will be put in place and enforced for all sessions and in all venues.

We hope that you will support our efforts as we journey with your child/ward in preparing for the coming examinations.

Thank you and keep well.

Mrs Regina Lee
Principal
