| <p>In line with the requirements of the EL Syllabus 2020, the teaching of English Language at YSS focuses on building a strong foundation in language and enriching language learning for all. We teach language skills with an emphasis on grammar and spoken English, using rich texts and a variety of language resources to enable students to appreciate and use the language beyond the classroom. The learning experiences guide discovery of language skills through differentiated instruction and authentic tasks, leverage on ICT tools and platforms, and explore real world issues and multiple perspectives.</p> | | <p>Oral Conferencing Small Group Consultation</p> |
