INVITATION TO JOIN YSS PARENT SUPPORT GROUP

Dear Parents

1. A strong home-school partnership is key to developing our students to their full potential and enabling them to fulfil their aspirations. To this end, the school aims to work closely with parents to deliver a holistic education for our students through the Parent Support Group (PSG) platform.
2. The PSG complements the school by aligning with school's objectives, supporting and strengthening the school's programmes to improve students' well-being and learning.
3. As a PSG member, parents can:
 - keep abreast with the school's programmes, support and guide their child better by being well-informed about the school policies and curriculum in the school.
 - add value to student learning and development by participating in school activities, sharing their skills/area of expertise with students.
 - network with other parents and support one another in their parenting endeavour.
 - strengthen positive parent-child relationship as their children derive a sense of pride witnessing their parents' involvement in school activities.
4. We are looking forward to encouraging more parent volunteers to join the PSG and grow the PSG even further.
5. Please click on the link to <https://go.gov.sg/ysspsg> to join our PSG.

Thank you for your support.
