Dear Parents/Guardian

National Digital Literacy Programme (NDLP)

At MOE's Committee of Supply Debate in March 2020, MOE launched the National Digital Literacy Programme (NDLP) for our schools and Institutes of Higher Education. The NDLP was launched to make digital learning inclusive by equipping students with the digital literacies to be future-ready.

Through the NDLP, all secondary school students will own a school-prescribed Personal Learning Device (PLD) by end 2021. The device will be used to facilitate an environment that encourages personalised learning.

Our Secondary 1 to 3 students will receive their PLD in Term 3, and we are in the midst of finalising the selected device for our students. In the meantime, you may refer to the attached for more information about NDLP, including funding and cyber wellness support.

- Parent Handbook (I) on Learning with a PLD
- YSS - NDLP Parent Briefing Slides

We will provide more information nearer to the date of distribution of PLD.

Please do not hesitate to contact Mr Teo Jui Sing at teo_jui_sing@moe.edu.sg for any clarification.

Thank you and warm regards

Mrs Regina Lee
Principal
