Dear Parents/Guardian

**Secondary Two Presentation Skills Workshop**

Yishun Secondary School aims to complement the English Language curriculum by guiding students to speak persuasively with speech that is clear, expressive, original and adapted to both formal and informal situations.

To achieve this end, we will be conducting a series of workshops to develop students' verbal and non-verbal communication skills and build their ability to plan and prepare talks with a clear purpose, audience and context in mind.

The workshops will take place over the following dates and time.

Please note that your child/ward is required to attend all the workshops.

Thank you and best regards
